NORWEGIAN CENTRE FOR  
INTERNATIONAL COOPERATION  
IN EDUCATION

**The project supported by DIKU [www.siu.no](http://www.siu.no)**

**The Norwegian Agency for International Cooperation and Quality Enhancement in Higher Education (DIKU, previous name SIU) is a Norwegian public sector agency that promotes international cooperation at all levels of education.**

**DIKU is located in Bergen, the 2<sup>nd</sup> largest city of Norway.**

**DIKU announces many supporting programs annually**

## **The project goal:**

- **Sampling good cases of teaching Norwegian students about Chinese business cultures through internship practices.**
- **Sampling BJTU supportive courses and project coaching in addition to the internship.**

## **Expected results:**

- **Establishing good and reliable network with a hosting company or organization for internship Norwegian student placement.**
- **Collecting experiences, good samples and beneficial cases for internship candidates and for the hosting company.**
- **Motivating and promoting more Norwegian engineering students aiming toward China and learning Chinese business cultures as one of essential engineering skills.**

## **Expected results relevant to project operation**

**2 OUC students conducting internship placement in 2019**

**3 OUC students conducting internship placement in 2020**

**Placement scheduled July or August in 2019 and 2020 respectively.**

**All OUC students need to complete BJTU supportive courses  
In the following fall semester for equal to 20-30 ECTS.**

**Can we have openings for none engineering courses in case we  
need to send OUC students from other none engineering faculties?**

## **Total budget for the project NOK 300 000,-**

- **The project period lasts 31 December 2020 (2 years)**
- **Only supported direct costs, no wage no equipment**
- **Involved institutions own contributions in working hours**
- **Requirements for report and disseminations**
- **Need to involve in student mobility**
- **Need to balance gender equally**

**Involved and contributed BJTU partners and colleagues**

**Shandong TRYWOW Heat Pump Technology Co., Ltd.**

**<http://www.trywow.cn/>**

**山东创尔沃热泵技术股份有限公司, 山东淄博市桓台县经济开发区**

- **李安长 Li An Chang, Director of the board, Shandong TRYWOW**
- **贾力 Professor Jia Li, BJTU, coordinator for Shandong TRYWOW**
- **徐宇工 Professor, Xu Yugong, BJTU Weihai campus, placement supporting**
- **史红梅 Professor, Shi Hongmei, BJTU academic course supporting**

**The main partner – Østfold University College**

**Budget, project progress, report, disseminating Norway**

**The collaborating partner – Beijing Jiaotong University**

**Actions and activities at BJTU in China**

**The main partner responsible coordinator**

**吴弘 Dr. Hong Wu, overall project action and activities**

**Reporting to DIKU [www.siu.no](http://www.siu.no)**

**The collaborating partner responsible coordinator**

**鄂明成 Dr. Er Ming Cheng, overall project actions at BJTU China**

**Facilitating and assisting project actions at BJTU China**

**How shall we activate this project so we conduct the project successfully and beneficially for both sides?**

**Questions? Comments?**

**Thanks!**
